## Fantastic Fallas!

Forget the riots at home, come and have some riotous fun of your own on our unique Fallas Week holiday in March. We combine the finest walks from our Sierra Espadan holiday with carefully selected visits to one of Europe's biggest fiestas choosing the best bits for you to enjoy.

From the 17<sup>th</sup> to 24<sup>th</sup> March 2012

## lonely planet... We are making the news!

Not only were we recently recommended by Which? Travel magazine but we are now mentioned in the September edition of the Lonely Planet Travel Magazine for our Camino de Santiago walking holidays. As we try to keep our prices down to offer good value our advertising budgets cannot compete with the bigger companies so any mention from the national magazines is always welcome... and it's nice to be recognised!
