

No tricks... just treats!

Come and join us at Europe's biggest festivals... the Fallas of Valencia, Spain

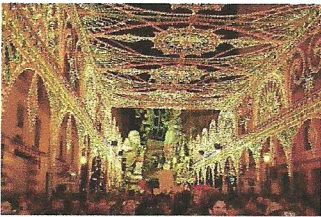

Burn away your winter worries and start the Spring with a holiday to remember. The Fallas Special Walking Week combines our best walks in the National Parks of the Sierras Espadan and Calderona with two memorable days in Valencia bearing witness to the most spectacular event in Spain, the Fallas. True to the saying, those who have actually seen it can believe it.

700 gigantic sculpted structures of cardboard, wood and cork adorn the streets of Valencia each humorously portraying relevant events and personalities

Thousands upon thousands of "falleras" dressed in regional costume parade the streets each offering a basket of floral decorations that make up the virgin

Impressive artistic street lighting illuminate the streets at night

Intense firework displays of light, colour and explosions accompanied by traditional music bands
